DEDICATION

Too Our Friend "Poo"

This day will seem like an endless goodbye, but when we think of POO, we must not grieve anymore because POO was a very strong individual.

Now, is the time for us to unite as one and be as strong as she was.

Yes, it hurts and pain will remain but must we try to understand that God has taken our sweet loving POO home in his bosom.

For, her body, soul and spirit has been lifted from this confused world in which we live.

POO has finally found the real peace, love and happiness that only God can give.

So let us, turn our tears into silent joy and relieve our burden by remembering the joy of hearing her laughter and seeing her smile with those big bright eyes.

Written by Friend,
Doralynn
Dedicated by Walbrook Class of 1980

Sandra Allyn Robinson

December 22, 1962 - July 8, 1979

We the members of the class of nineteen eighty dedicate our yearbook to our former classmate, Sandra Allyn (POO) Robinson, a former potential nineteen eighty graduate of Wallbrook Senior High School. She was a very fashionable and energetic person who took part in various school and neighborhood activities. She was always a devoted student, known and loved by ALL.

To Sandra A. Robinson "Poo"
Just because your gone away
doesn't mean we don't love you today.
You filled our hearts with love and laughter;
today, tomorrow and here after.
Remember the good and bad times we shared together . . .
No words can explain the way we feel.
Not having you around just isn't for real.
Although we weren't part of the KIN . . .
POO, you still are a true friend to the end.

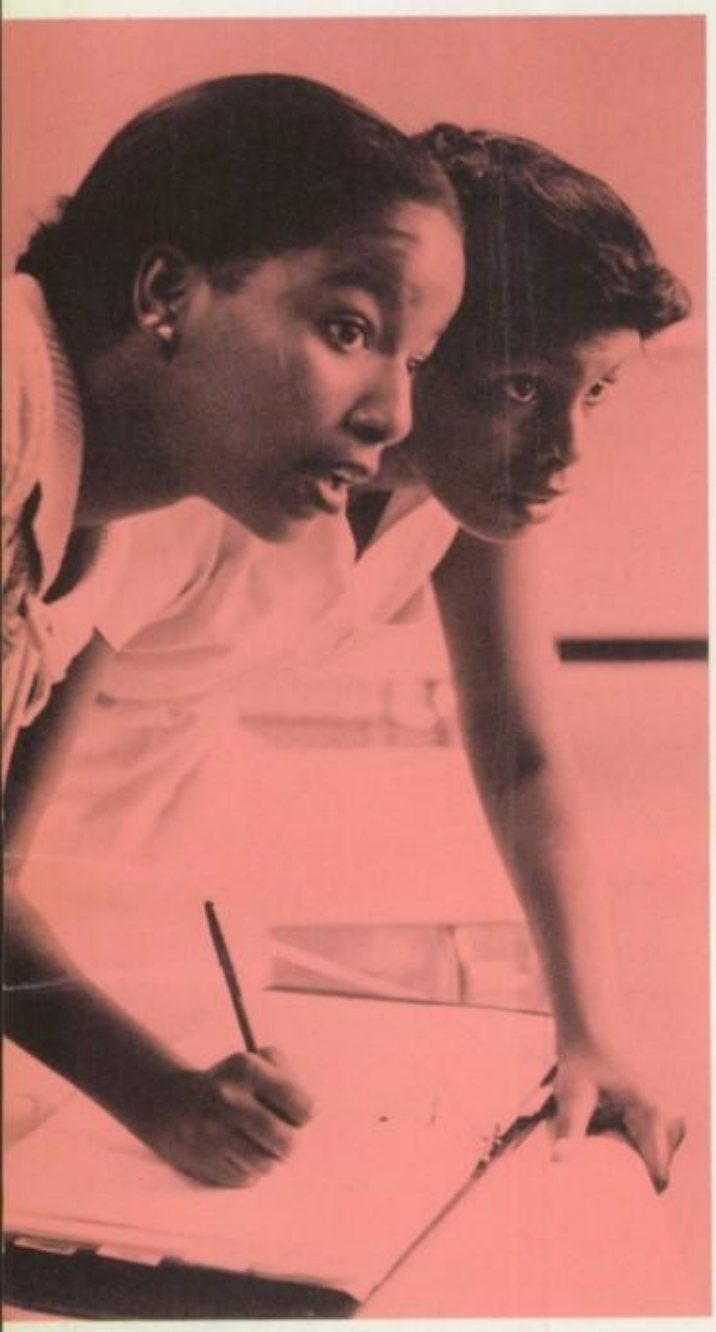
MOVING ON!

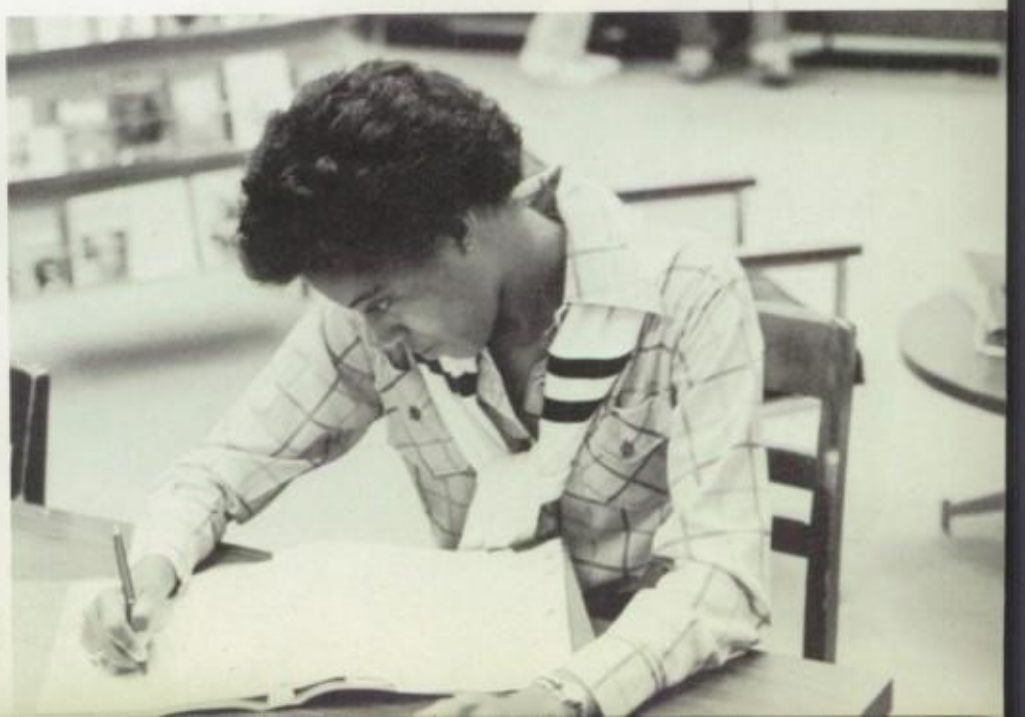


The fine young men and sophisticated ladies of Walbrook's class of 1980, are moving on.

When we entered Walbrook as sophomores, we were totally surrounded by a new environment. Meeting new friends, coping with new rules, and wondering if we'd survive. As the months passed we found that it wasn't that difficult.

Moving on as juniors, things got a little more complicated, but we understood alot better. There was more studying, exams, reports and also pleasure. We attended the Spring Affair, Class trip, getting our jackets and T-shirts, Senior portraits and receiving our school rings. These privileges elated many. Knowing that they belonged to Walbrook Senior High.

Moving on as seniors, we face greater responsibilities of doing our best in everything. Now we look forward to Senior Farewell, and the Senior Prom. Finally we have reached our destination, we are still moving on, and under graduates we hope to see you moving on!



STUDENT LIFE

STUDENT LIFE AT WALBROOK . . .

Student life at Walbrook is spectacular, fabulous, and amazing. After all, what we get out of it, is what we put into it and what we make it!

School begins at 8:30 A.M.. Most of us that are early sit outside in front of the school, meeting friends and talking until the bell rings to begin the day. From then until 2:45 P.M., classes are in session; we all know what that means - time to work! Passing from one class to another can at times to a casual observer seem chaotic, but during all of that hectic rushing back and forth students get the chance to say hello to that friend and good - bye to this one.

During the course of the day students enjoy a lunch

IS ON THE MOVE . . .

break. It's during this time that we have a chance to relax and mingle. Many of us prefer the courtyard, which we call, "Courtyard Life." We'll buy a soda and a bun or maybe bring a lunch from home, and if the weather is just right then the courtyard is the place to be. Those who have to study however, prefer the library. If we are behind in work, or work is behind us, or if we just want to read, then the library is the place to be.

Students experience much pleasure at Walbrook. Since it is a communications school, we are very talented in the fields we major in. Activities are of great importance to all at Walbrook especially those activities when we are in

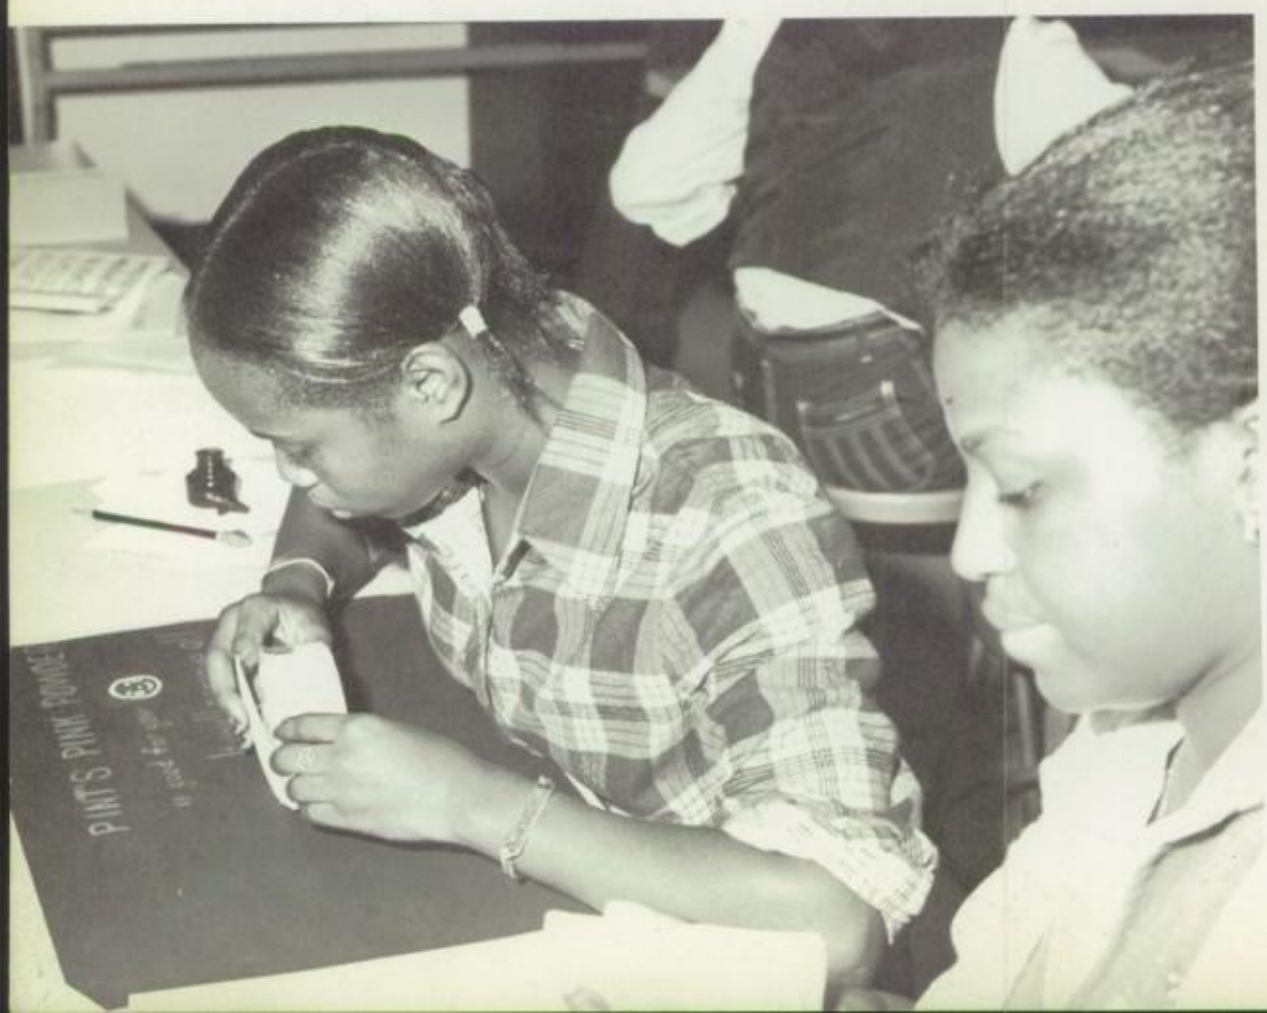
competition with other schools. We have lots of fun at these functions, with the teachers, administrators, friends and families. Although there is much excitement and merriment at Walbrook, we have our times. So, when the going gets tough, we buckle down and get it together.

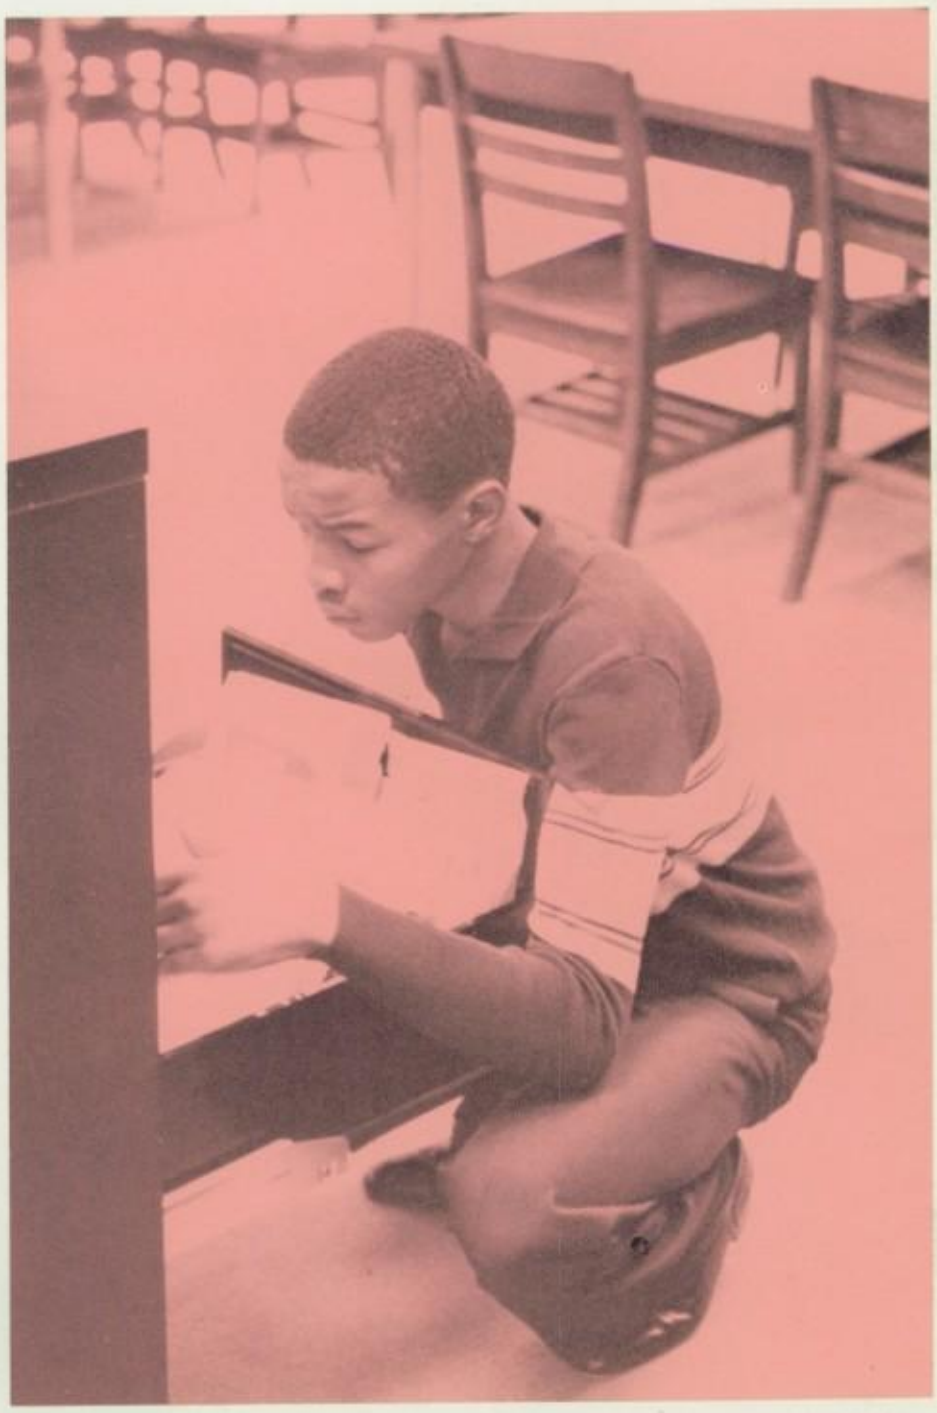
Walbrook life is fun because we are one big happy family, and we make Walbrook Senior High School the greatest!



ARE MOVING ON!!!

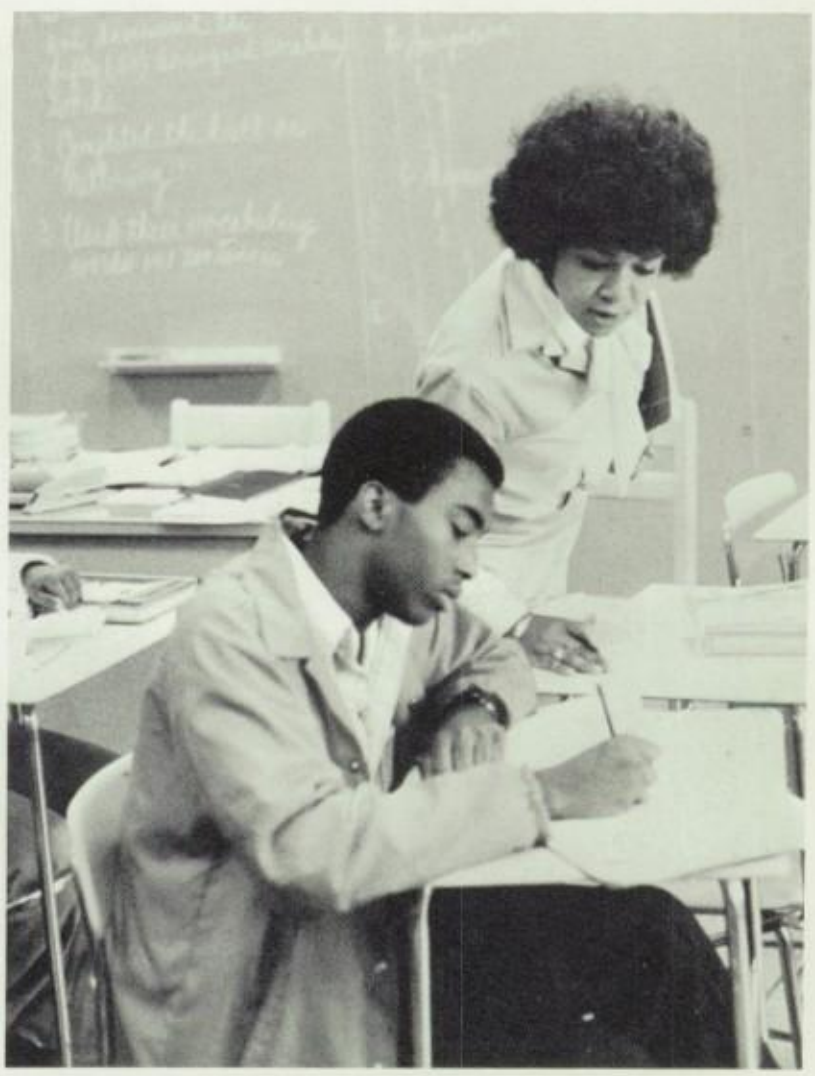
The Faculty has really helped us along the way. They have helped us both in the school and outside of it, with assistance in programs and individual pursuits. They help us decide what work and career fields to enter into. They have also prepared us for higher education. The teachers have really helped the classes of 1980 to expand our knowledge, find our abilities and to achieve our higher goals.

To all of you who have helped us on our way, and as we move on; "THANK YOU!"



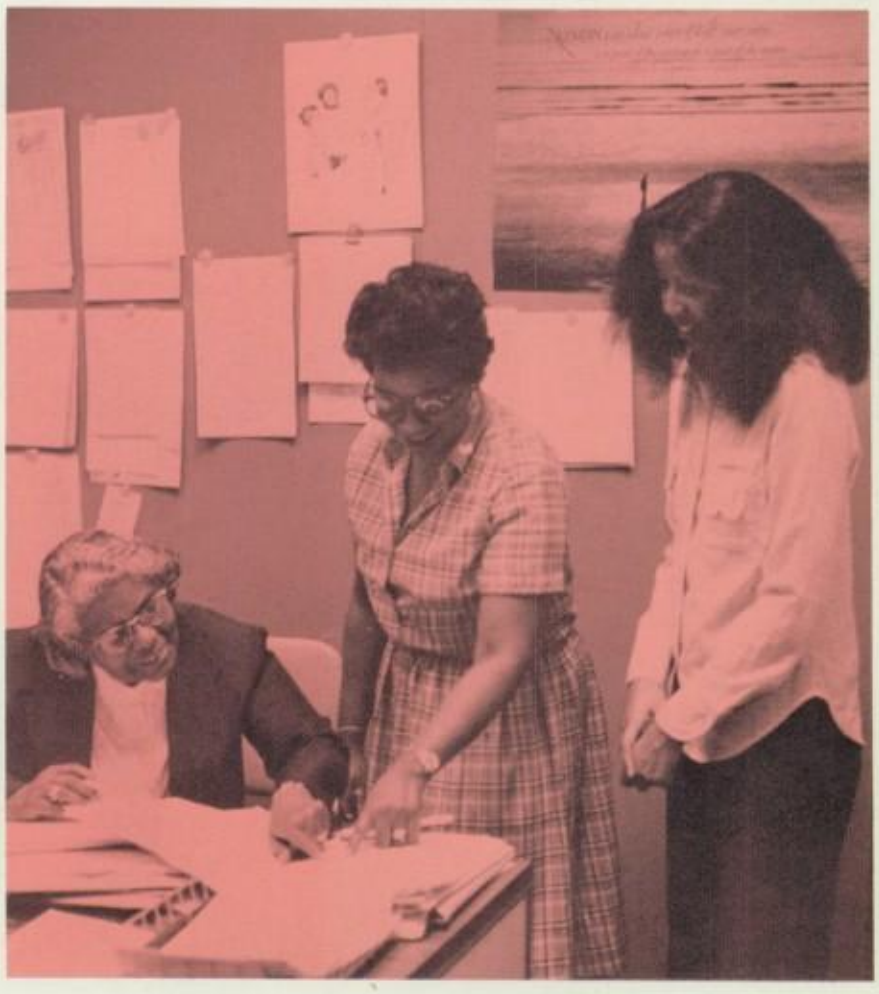
THE CLASS OF . . .

. . . 1980 INVITES YOU . . .



. . . TO FOLLOW ALONG . . .

. . . THROUGH STILL ANOTHER . . .



. . . EXCITING YEAR . . .

ADMINISTRATORS FACULTY & STAFF

A Message From Our Principal

Seniors,

1979-80 is an eventful year in your development. This is the year of decision making, a most important milestone in your life. Your efforts will be bountifully rewarded through scholastic average, attendance record, employment, and College Scholarship. The talent exemplified by your class can be paralleled to highlight your three years at Walbrook.

You have succeeded because you set your goals and worked toward achieving those goals.

We at Walbrook strive for excellence in all that we do. You have been instrumental in achieving excellence during this school year. The Staff takes pleasure in commending you in your Senior Year.

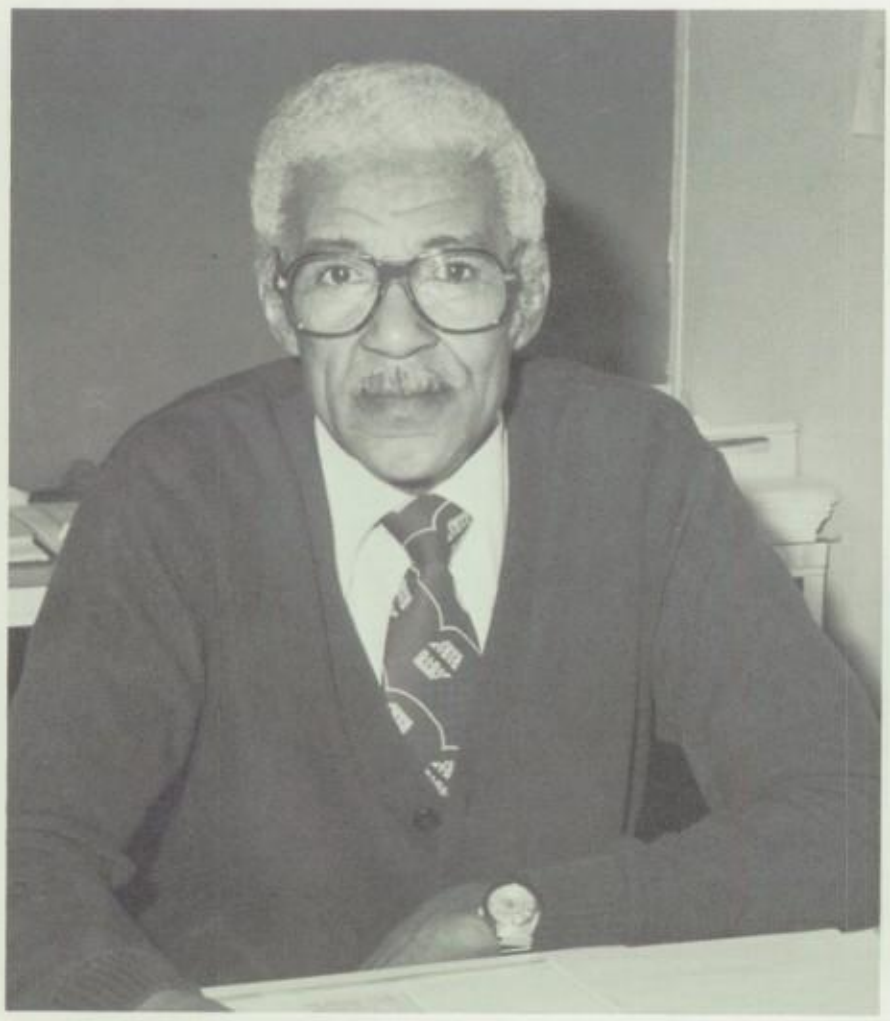
May God bless you in your undertaking.

Sincerely,

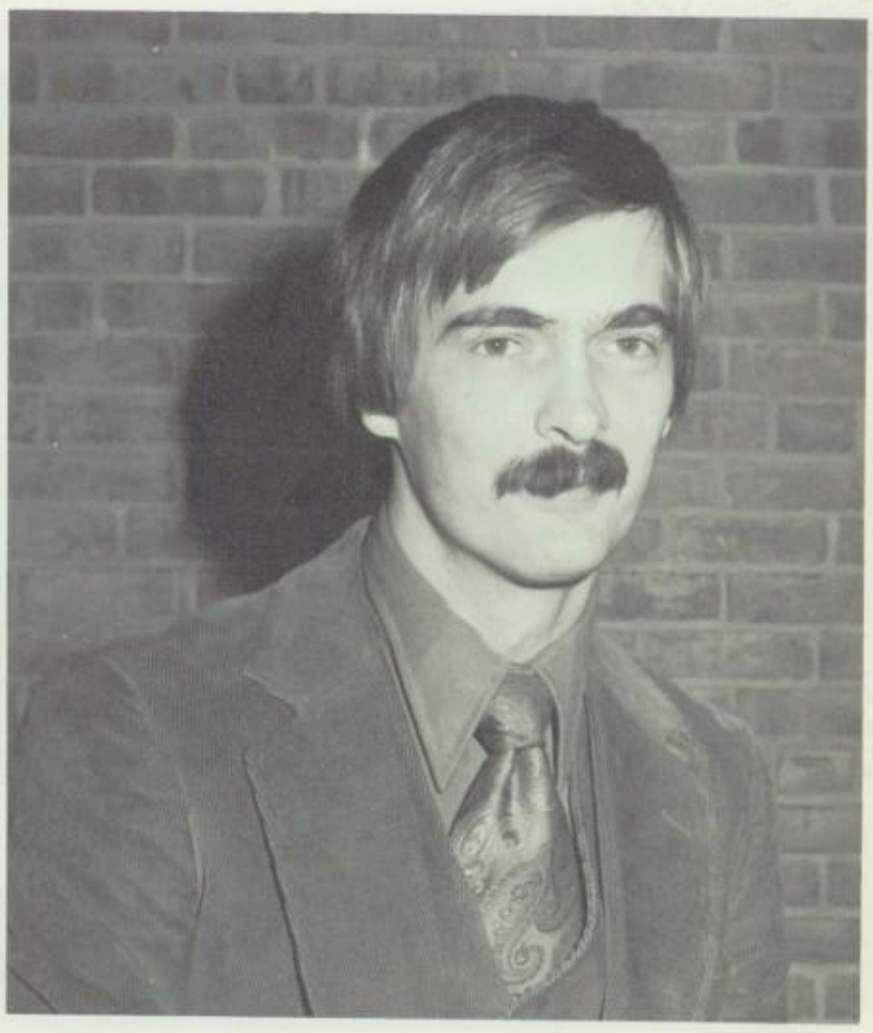
Dr. Ann O. Emery

Mr. Roy Pope, Assistant Principal, Student Activities Coordinator

Mr. Edward Richardson, Assistant Principal, Building Management



Mr. Joseph Cook, Assistant Principal, Pupil Services



Mr. August Treff, Assistant Principal, Scheduling and Curriculum

Art Department

Reva Lewie Department Head

Art is basic. It is an integral part of Walbrook's curriculum through it's varied offerings in painting, sculpture, commercial arts, film making, and other types of medias. It fosters the highest ideals of American education through it's contributions. To the growth of the individual intellectually, psychologically, and socially. To the communication of ideas feelings and thoughts in visual terms.

- to varied carrer options.
- to leisure-time pursuits.
- to adding order and beauty to the life of the individual and environment.

Foreign Language

The Foreign Language Department allows students to learn different languages of our world. We therefore believe that our students should become more familiar with the languages, cultures and political backgrounds of these nations. We believe that every student could profit from an experience received in some foreign languages courses.

Linda Lymas

Marian Finney Department Head

Health

The Health Education Department is responsible for providing students with skills to enable them to make wise decisions that will impact indirectly and directly upon their lives. The city-wide required health education course Survival Skills I adresses such issues as nutrition education, interpersonal relationships, drugs and parenting education mental health and coping skills, influences of media, religion, aging, peers on individuals, current health agencies, Natural conditions as they effect our health.

Among the electives offered are Family Life, Parenting and Dimensions of Health Problems. These courses provided students with opportunities to learn the importance of interpersonal relationships and parenting skills. The nature of current health problems and methods of identifying such services provided and agencies available to the community.

Home Economics

Ms. Anne Wilson, Department Head

The Home Economics Department endeavors to be a viable and integral part of student life at Walbrook. To this end, we offer courses in Human Development and Family Economics of the household, Interior Design, Foods and Nutrition, Textiles and Clothing. In addition, we do meet each student in the school through Survival Skills II which helps students to prepare for the world of work and to use the income from such jobs to effectively finance their life - styles. In addition, we sponsor the Future Homemakers of America and Home Economics Related Occupations Clubs. These groups represent a service to the community. The one at Walbrook works directly with an elderly group which we have adopted.

Ms. Verly Carr

Ms. Vininia Sydnor

Industrial Art

Mr. Curtis Williams
Department Head

The Industrial Arts Department is an Exploratory program. It is Prevocational in nature and seeks to enable the student, regardless of gender, to develop basic technical skills in the use of tools, and materials of industry. It is hoped that the development of these skills will lead to student interest in a vocational program on the secondary level or after graduation to an on the job training program or a professional career training program in a four year college.

Math

Ms. Barbara Weaver
Department Head

The Walbrook Department enjoys the unique distinction of being the first Baltimore City Public secondary school dept. to offer computer assisted instruction. Through our involvement with Commercial Credit and Control Data Corporations the Plato terminals have become a significant part of the remedial and advanced courses in mathematics. The mathematics department prepares students in the Job - Preparatory and the College - Preparatory Curriculums. Course offerings from Algebra through Calculus are available as well as courses in Technical Math, Computer Math and independent study courses. Students of mathematics are able to prepare for competitive experiences in the annaual City-Wide High School Competition and the High School Exam Sponsored by the National Council of Mathematics.

Media

Ms. Catherine Howard
Department head

The Media strives to meet the needs of the students to provide resource materials and types of service that are most meaningful to the growth and development of of our students. A smooth, effective, school media center program is dependent upon cooperative planning of students, teachers and librarians. Because of the importance of education today, the media center stresses that each student reads a minimum of two books a month.

Mr. George Phelps

Mr. Joseph Sabo

Physical Education

Don Coleman Department Head

The Physical Education Department designs programs to meet the physical, mental, and emotional needs of each student. By teaching, coaching, and developing talents, each student recognizes and develops to the best of their abilities. The students also enjoy participating in sports to increase muscles, endurance, flexibility, and strength. Through team and individual may prepare for a healthy and fit future life.

Science

Aurora Trigg Department Head

The Science Department at Walbrook has a great degree of variety of previous experience because many of the teachers have worked in industries and research centers previously. They can share their knowledge and experience in science careers with students.

The Science Staff offers much to students because of the talents and materials available. We would aim to see more students pursue the fields of Chemistry and Physics because there are increasing career opportunities in these areas. The only way to get into these fields is by taking Math. Most students who major in Science find outstanding opportunities to expand their minds in scientific fields which lead lucrative and challenging careers.

Guidance Department

The basic concern of the Walbrook Guidance Department is to help each student develope to his/her fullest potential in areas of self - understanding, academic and personal adjustment and growth and educational and career planning. All program adaptatians have a single focas to help the students achieve the most from their high school experiences for the purpose of setting and accomplishing their goals.

The Guidance Department believes that its program must be a team effort, including not only the total faculty, but parents and the community alike In fact, the community is viewed as an important force in the delivery of services to students as well as a reservoir of opportunity. Guidances services, therefore, extend beyond the school.

"HOMECOMING"

Walbrook's Homecoming was held on Friday November 9th. The Pep Rally was held in the auditorium at 1:00. The procession was played by Walbrook's tremendous band. The Cheerleaders and the Pep Squad also performed. Mr. Gillem, assistant coach, of the Varsity Football team, introduced the Varsity and Junior Varsity teams.

The highlight of the assembly was the crowning of the king, Keven Benns, and the queen, Wanona Payne. The other contestants were Cheryle Lee, Glenda Cousins, Tara Parker, Crystal Dorsey, Starr Greene, Tracey Hill, Derric Sawyer, and Stanley Geddins.

The football game began at 2:30 in Walbrooks Stadium, The Warriors vs. Foresters of Forest Park. The Warriors lynched the Foresters with a score of 18 to 14. The fans loved it! Afterwards we celebrated at the VICTORY DANCE!

Halloween At Walbrook High

Halloween at Walbrook, presented by the Drama Club, was an entertaining view of Halloween. Mythological creatures of the mind come true. Strange faces familiar, some yes and others no. Screaming shouting and yelling, all the voices of those who attended, could be heard throughout the haunted house.

19 SENIORS 80

1980

Moving on is our goal; our experiences as students at Walbrook High School have been successful. In September of 1977, we became Sophomores and a part of Walbrook. Sophomore Day was held on March 9th, 1978. We had a wonderful assembly in the auditorium, where we welcomed football player Lydell Mitchell as our guest speaker. Afterwards we were given a dance at the Blue Crest North, where there was fun and entertainment for all.

Fall brought the beginning of our Junior year and the immediate plans for Junior Day and the Spring Affair. Junior Day was held on November 12, 1979, and the Class of "80" experienced their first trip to Hershey Park to have a wonderful time. The highlight of the year was the Spring Affair which was held on April 20th, 1979 at the elegant Eastwind.

CLASS HISTORY

Finally we became Seniors. On September 30th, 1979 we had an assembly. Dr. Emery swore in the class officers of 1980. Afterwards there was a disco held in the cafeteria.

We Seniors look forward to the Farewell, Senior Prom and Graduation. In the years to come many of us will look back at this book with a smile and remember the years we spent at Walbrook.

FABULOUS SIX!

We, in the Class of "80" would like to show our appreciation to the six persons that made our high school years the best and most important years of our lives. We are greatful and thankful for all the hard work you did in order to make the Class of "80" on top. Most of all we are happy to have shared these wonderful and exciting years with you! Getting to know you and you us, has been a pleasure. We are very proud to have you as the Class of "80" advisors. We will remember you all.

Thank you once again, Mr. George Gillem, Mrs. Frances Silverthorne, Ms. Melva Ellis, Mr. Joseph Johnson, and Mr. Gus Herrington. You are the **"Fabulous Six."**

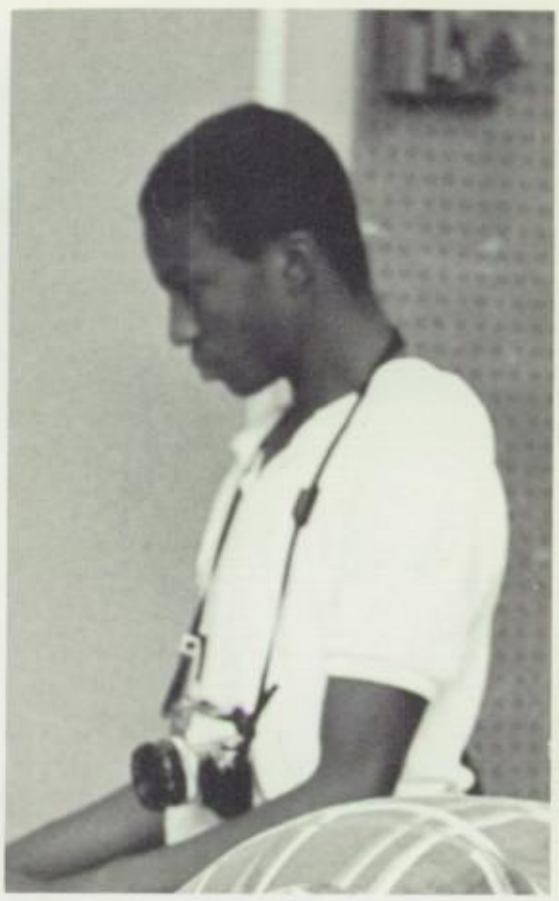
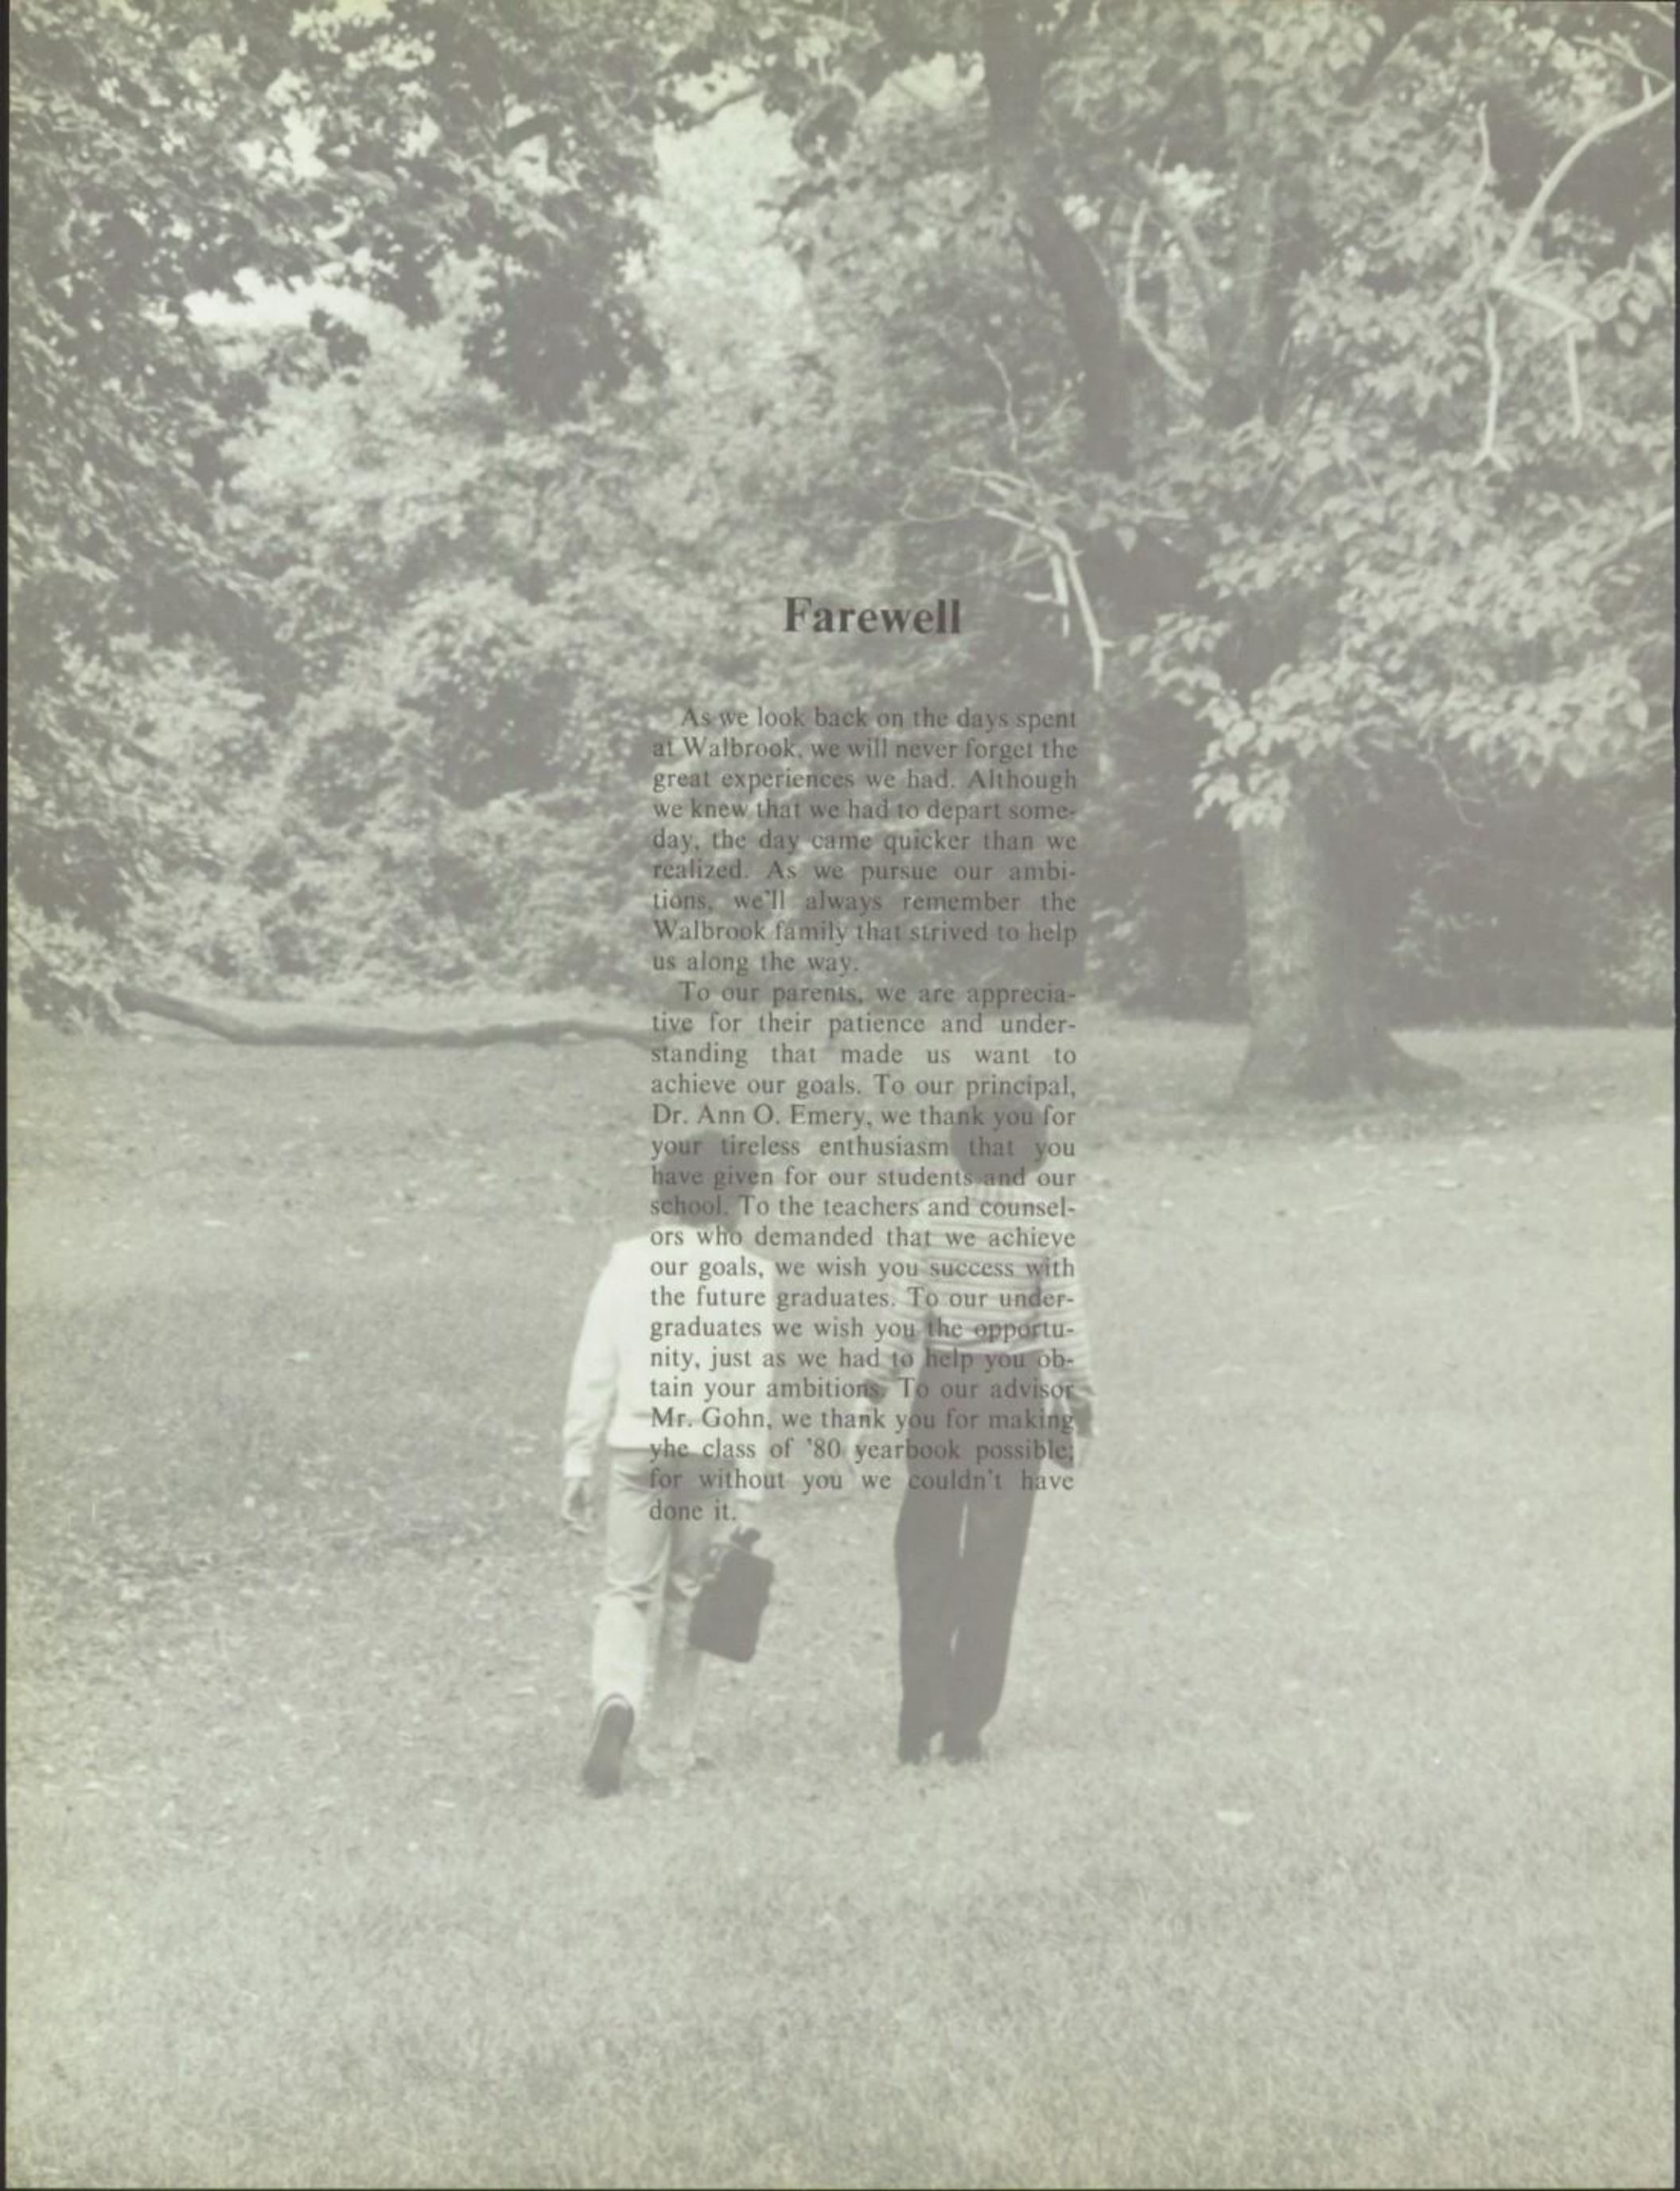
YEARBOOK STAFF

The Yearbook Staff is a group of students working together to form a yearbook, so that the students of Walbrook can remember the exciting years, whenever they look through the yearbook.

The yearbook members are: Mr. Gohn (**advisor**), April Turner (**editor**), Marcia Kirk (**writing editor**), Veronica Wynn and Jacquline Hooper (**managing editors**), Mary Miller, Paulette Early, Mark Horton, Ronald Stokes.





Farewell

As we look back on the days spent at Walbrook, we will never forget the great experiences we had. Although we knew that we had to depart someday, the day came quicker than we realized. As we pursue our ambitions, we'll always remember the Walbrook family that strived to help us along the way.

To our parents, we are appreciative for their patience and understanding that made us want to achieve our goals. To our principal, Dr. Ann O. Emery, we thank you for your tireless enthusiasm that you have given for our students and our school. To the teachers and counselors who demanded that we achieve our goals, we wish you success with the future graduates. To our undergraduates we wish you the opportunity, just as we had to help you obtain your ambitions. To our advisor Mr. Gohn, we thank you for making yhe class of '80 yearbook possible; for without you we couldn't have done it.
